# WHOLE EARTH® SWINE

## CO-OP® WHOLE EARTH® bagged feed products for swine

- A premium feed product from Co-op FEEDS
- Free of any animal byproducts or antibiotics
- Nutritionally balanced for digestible protein (amino acids), minerals and vitamins
- Supplemented with enzymes and gut health modulators for better digestion
- Choice feed for animals' full satisfaction and optimum performance
- Products are designed by a professional swine nutritionist
- Feeds are formulated by using the latest research in swine nutrition

**Major Ingredients:** Wheat, barley, corn, corn distillers's grains with solubles, canola meal, peas, soybean meal, salt, enzymes, amino acids, gut-health promoters (Sodium salt of short-chain fatty acids and yeast cell-wall byproduct), minerals and vitamins.

## Feeding Rate

- WHOLE EARTH® Complete Feeds: Feed the pigs free choice
- WHOLE EARTH® Swine Supplement (# 14329) and WHOLE EARTH® Swine Premix (#16501): Mix the products with on-farm ingredients to make complete diets, as shown below:

Ingredients (kg)	Pig Starter (5–50 kg)	Pork Grower (50–75 kg)	Pork Finisher (75 kg–market)	Dry/Gestational Sows	Nursing Sows

## Here are some swine management tips for achieving optimum growth or breeding performance:

- Provide clean drinking water to the animal at all times
- Keep the floor, feeders and waterers clean
- Maintain desired barn temperature and air quality
- Protect from rodents and other scavengers
- Separate the sick animal and seek veterinary help if needed. Remove any dead animals immediately
- Use good-quality grains for on-farm feed mixing
